Your customers design online ...

You Just Print!

Make Money ...

Save Money!

With our new **GIGANTAGRAM Online Digital Print System** you can print high resolution, full-color products with an **outdoor ink durability of up to 3 to 5 years!** Your customers will easily add **photos and other images** to any layout, completely online. Or, you can create and modify them yourself on your computer. Either way, you will generate **HIGH PROFIT, LOW COST** personalized banners in house. We've specially formulated **low-cost ink and media** so that you can offer your customers banners and other products at a **price so low, they can't say no!** A typical 16" x 6' full-color indoor sign **costs just \$2.90** to make and easily **sells for \$30** or more! Many other products can be produced such as Personal Photo Poster Collages, Window signs, Decals, and more.

Think of the savings and control you'll have by being able to produce your own store signage in house **whenever you need to!** With our new Gigantagram DPC-30" and 54" systems, you can **print directly onto peel and stick vinyl!** **Contour cut around printed images** to create stickers, vehicle graphics, yard signs, window lettering and much more. Our DP systems can produce many personalized event products for permanent indoor use, or durable outdoor use for up to one year! These are waterproof and highly tear resistant.
